Secret File

The shock that the fiery red autumn leaves gave to the world is large. And that is no surprise. This is a place near the Equator, where the jungles are covered in green throughout the year. This unusual scene was caused by the toxic gases emitted by the Neuroi, which corrupted the trees. Many other scenes impossible in nature have been observed. Other than in forests and jungles, mines have been covered in black crystals and fields have fires which never extinquish.

This is a photo showing the independent mixed witch squadron nicknamed the "Shimada corps" of the Fusoan army led by Major Shimada Noriko. They had just discovered the base of the giant ant queen-type Neuroi in the jungle. This Neuroi was defending itself from air infantry attacks using its powerful anti-air guns and thick outer shell. It also sent out smaller Neuroi to stop the allied army. However it was no match for Shimada corps' teamwork and after a fierce battle, it was destroyed.

THIS TIME THE RELEASE IS REALLY NOT MUCH MORE THAN AN INFORMATION PAGE AND A SHORT COMIC ABOUT WITCHES FIGHTING THE NEUROI IN SOUTH-EAST ASIA.

MANY OF THE 'CHAPTERS' IN UNKNOWN WITCHES ONLY CONTAIN 1-4 PAGES, SO AFTER THIS THEY'LL EITHER BE RELEASED IN GROUPS, OR COMBINED WITH SOMETHING ELSE.

THIS COMBO WAS ORIGINALLY GOING TO BE A HIGHSCHOOL OF THE DEAD SHORT, BUT THINGS CAME UP AND I DECIDED TO DO STRIKE WITCHES INSTEAD.

THAT WORKS OUT ANYWAY, SINCE IT MOVES UP A TEAR DROP/TO-HEART/TOMOKO HOSHINO DOUJIN AS MY NEXT PROJECT.
